[1] We quote verbatim:
‘’Approximately 5000 Ukrainian soldiers, in total, served in Iraq in the wake of the 2003 invasion of Iraq and subsequent Occupation of Iraq (2003–2011). Ukraine provided the seventh-largest number of forces in Iraq with about 1,700 soldiers from 2003-2005 – 18 of them were killed. In 2004, the Ukrainians served as the third-largest Coalition forces contingent in Iraq, with about 1,700 soldiers from 2003-2005.’’
We quote verbatim:
‘’Ukraine was recognized as providing ***"excellent support" in the American administration's campaign*** against "terrorists" in Iraq.’’

Ukraine was not then - and Inshallah will never be - a NATO state. Sponsored and armed by the US-Zion Alliance, they, the so-called Ukrainians, went to destroy Iraq and kill best Iraqi Muslims for money, volunteering! Paid mercenaries, a sold-out state, a nation-to-rent and citizens-for-hire.
Bear it all in mind who those people are, some dozens of millions of Slavs there. Bear it all in mind when you read about so-called crowds of Ukrainian Muslims! They lie and deceive. They will be now used by ahmad al-shara’a for the same purpose of persecuting best elite Islam in Syria as they were used in Afghanistan and Iraq. The algorithm sketched above applies again.

During the US-NATO Coalition aggression, destruction and subsequent occupation of Iraq: Viktor Nedopas, Charge d'Affairs of the Ukrainian Embassy in Iraq.
As of 2024, the same individual: Viktor Nedopas as Charge d'Affairs of the Ukrainian Embassy in Iraq.

We are talking here to so called ‘’Muslim’’ formations profiting from the US-NATO-Zionist Alliance – military formations of David Howell Petraeus in Iraq or mirroring the Iraqi schemes of Petraeus bandit formations of Tony Thomas in Syria, you are their boys, are you aware of it? They pay you, are you aware of it? They created the monster Al-Sharaa, are you aware of it? And you were Sharaa’s cannon fodder, are you aware of it? - agreeing to be their manpower *cum* cartridges *cum* rifles against the Muslims:

We reiterate verbatim:
‘’Ukraine was recognized as providing "excellent support" in the American administration's campaign against "terrorists" in Iraq.’’
So you, the so-called ‘’Muslim’’ from Ukraine, you are the sequel to the same ‘’Ukraine was recognized as providing "excellent support" in the American administration's campaign against "terrorists" in Iraq.’’ Zionist military scheme.

The quotes verbatim presented above along with the links, this is *our message* to the crowds of the so called ''Muslims'' roaming the Ukraine and involved in perpetrating the Syrian take over by the Timber-Sycamore operation, crowds deeply misguided and deluded, secret agents of the US-NATO-Zion Alliance, Caucasian-Ukrainian gangs of neo-Sahawat Syrian militia, heavily on the *keif* of the US-NATO sponsored stipends – the way Iraqi Sahawat i.e., Abnā' al-'Irāq. had been created, funded and operated by the CIA and D. Petraeus - and inebriated by the same US-NATO-Zion Alliance-sponsored and -manufactured *keif*.

Армии в восточные Поветы Польши, то есть на территорию Западной Украины и Западной Беларуси, которые были одсечены от тогда ещё Советской России по Рижскому Договору подписанному 18 марта 1921, потому что изначально страны Антанты определили западную границу Советской России по так
называемой Линии Керзона. По этой Линии Керзона и Западная Беларуси и почти вся
Западная Украина считались территорией Советской России, за исключением Львова. Но как известно, в 1919-20 году было две неудачных советско-польских войны, по итогом которых был подписан Рижский мирный договор 1921 года по которому мы отдали полякам территорию Западной Украины и Западной Белоруси. Сейчас мы только восстанавливали историческую справедливость. Польская государственность рухнула. Значит мы вводим войска на те территории которые и с моральной и с юридической и с исторической точки зрения принадлежат нам. Кстати право Москвы на эти терены признавал даже такой антипод Сталина как Винстон Чурчил который заявил что Советы имели полное моральное и юридическое право идти на эти территории и присоединить их к себе.
Это был принципиально важный вопрос по многим позициям, но в том числе и потому что нам надо было как можно дальше на запад наши границы раздвинуть поскольку мы понимали что с падением Польского государства у нас возникнет общая граница с нацистской Германией со всеми вытекающими последствиями.
Надо понимать что проект окончательного решения Славянского вопроса, явно раскрытый и ясно изложен в книге Адольфа Гитлера ‘’Майн Кампф’’, существовал и был Сталину хорошо известен. Создание Третьего Рейха это создание того ядра, вокруг которого объединилась Европа в борьбе против СССР.’’

[6] Można postrzegać ówczesną Polskę oraz wojnę ''Od morza do morza'' Polsko-Sowiecką 1919-21 jako zachodni i wobec Rosji ex-terytorialny front tego czym było ówczesne tzw. ''Белое движение'' w Rosji samej.

Recent bizarre and carefully staged and media-advertised so called: ‘’retaliation acts of Iran against Israel’’ while the *Tufan Al Aqsa* genocide of Palestine is going on, are of similar character. The essential Rawafida and the cash-value of the ‘’Marg bar Âmrikâ’’ notorious message exposed: June 23 2025, D. ‘’Iran’s missile strike on Qatar’s Al Udeid Air Base on June 23rd was not a genuine military escalation but a calculated, “performative” act of retaliation straight from Supreme Leader Khamenei’s playbook.
This strategy, previously used after the 2020 Soleimani killing, involves public bluster followed by a telegraphed, limited strike on a pre-warned or evacuated target.
The attack on the largely empty Qatar base allowed Iran to save face with its hardline domestic audience while simultaneously signaling to the U.S. that it does not seek a wider war.’’

The Caliph of Islamic State Abu Bakr Al Baghdadi (*Taqabbalallahu shahadat*) - nom de guerre of Ibrahim Awwad Ibrahim Ali al-Badri, born In Iraq, Samarra, graduate of Islamic University of Baghdad - in one of his speeches on the Rawafida:
'' You are the Shiites of the Magi, the descendants of Abu Lu'lu'ah, Ibn Saba' the Jew and Rostam, and your ancestor is Khosrau.''

Lev Gumilov in his book on Khazaria: a counterfeit Jewish convert to Islam Ibn Saba'a was the earliest Jewish-Persian (i.e. Zoroastrian Khosrau) project aimed at destruction of Islamic Caliphate through inner conflict, Islamic message distortion, brokering alliances with the enemies of Islam and perpetual strive, a project which eventually succeeded in attaining its ultimate goal: Fall of the Caliphate .
If we study the Najdi Dawah – as we always should - and the testimony on the wrecked and wretched condition of Islam left to posterity throughout the writings of Muhammad Ibn Abdul-Wahhaab, we know how Ibn Saba'a's Jewish-Persian project operated – with Sufism created and fostered as a hidden insidious Shi'a passport penetrating giant swaths of the Islamic realm, eroding it & attritting the *haqq & Risalat* of Islamic *wahiyah* - and what destruction it wrecked on the texture of Islam.
The Jewish-Rawafida/Khosrau project is still actively operating, recreating its original modus operandi to date. One should look for materials, and they are aplenty and indeed shocking!, on the key Al Saud project fighting Islam, that of ecumenism and merging Islam with the Crusader so-called ''Christianity'' of the Vatican Masonry. The materials exist, though are not easy to find, as most of them have been produced by AQ and Dawlah Islamiyah.

Our memory preserved the words of President Saddam Hussein, taunted by his Shi'a executioners leading the Iraqi President to the gallows. Those final words spoken to his executioners existed on the web for some time after Saddam Hussein's execution. Then, purged by those who purge as per their needs and who by profession replace truth with lies, those final words of Saddam led to the gallows

disappeared. If you knew them, you would know they had a reason to remove those words. If you only knew…
The final statements of Saddam Hussein when, taunted by his Shi'a executioners the Iraqi President was climbing the stairs leading to the gallows, were related to the major mission of his presidency and how it was related to Iran's schemes attempting to reinstate the Persian Empire.
What is now ascribed to Saddam Hussein while Saddam Hussein was climbing to the gallows pole is not what the Iraqi President actually said to his Shi'a henchmen. We can't present his final statements here and you will not find it now on the web for obvious reasons, namely the US-NATO Alliance ''gifted'' Iraq to the Shia so that the Shia continue the US-NATO persecution of the Sunni Iraqi Muslims – Iraq is now a mere shadow of its former self and former glory - with their own hands and with their own persecution resources.
And so they do. They do continue the persecution of the Sunni Iraqi Muslims, with portraits of Shi'a Ayatollahs nowadays displayed in public places all over Iraq.
Yet the final statements of Saddam Hussein will be preserved in our memory. *Not only* in our memory, no doubt about it.

A synoptic view re. Iran-Israel fire exchange presented by Dawlah Islamiyah in June 2025 :
'' The accurate description of the ongoing war between the Jews and the Rafidis is that it is a conflict between two competing projects fighting Islam: the project of the Greater Jewish State and the project of the Greater Persian State! Both are motivated by their ambitions and hatred to invade our lands and desecrate our holy places.
This is no wonder, as both sides are sworn enemies of Islam, and their records, both ancient and modern, are replete with evidence for this.
No one has the right to make us choose between the Jewish camp and the Rafidah camp, as they are the same camp: that of the enemy of Islam, that of a project fighting Islam, and therefore cannot be compared.
The Muslim has no choice but to completely side with the Islamic camp, based on monotheism and jihad. Even if we rejoice in the fighting between the Jews and the Rafidah and their losses in this war, this joy in the harm caused to two major enemies of Islam is legitimate; one of them is more infidel and the other is more dangerous. There is no greater evidence of the severity of the danger of the Rafidah than the deception of many of the people of the Qiblah by Iran and its axis, while you do not find this deception, not even a tenth of it, among the infidel Jews.
Even if Iran killed thousands of Jews, this would not make it a guardian or an ally of Muslims, because it is an infidel Rafidi state, at war with us, shedding our blood, and hostile to the Companions of our Prophet, may God bless him and grant him peace. How are they different from the infidel Jews?
Muslims should realize that whoever allied with America in invading our lands in Iraq and the Levant will not liberate Palestine for them.
And whoever betrayed and let down their proxy armies in Lebanon, Syria, and Gaza in order to advance their Persian national interests is the most treacherous betrayer and his deceit and disloyalty stand comparison to no others.''

33 Refusals of عمر محمد to the US Gov and DoD to Give up and Denounce Shaykh Mujahed Usamah Bin Laden documented here: https://nsarchive2.gwu.edu/NSAEBB/NSAEBB134/index.htm
The Commander of the Believers, Emir al-Mu'minin, Mohammad Mullah Omar Mujahid then said to all these DoD*cum*USGov threats: ''The issue of Usama is not about one person. It is about the *'Izza* of Islam. ''
This is who Mullah Mohammad Omar (R.A.) was.
This is what نخرسا صوت used to be, *then* and there that is, with Mullah Mohammad Omar (May Allah Accept him as martyr).
This is what the Taliban used to be. ''They liberated their land without taking a step back'', as AQ would once define them. *Then* and there that is, with Mullah Mohammad Omar.
That was the caliber of the Taliban's *muqawima*, its denseness, heaviness, closeness and concretion, an opaque BlackBody indeed, let us reiterate again, with the caveat on the ''*then*'' time adverbial: ***then*** and there.

The document related to Mullah Omar and linked here should be carefully studied and deeply pondered over – *not many* if ***any at all*** such documents could be located in the entire history of mankind (and if you claim they exist then deliver on your claim and provide evidence to your claim as *we* can't think of anything that compared to this exchange between the US DoD*cum*UsGov on one side and Mullah Omar on the other), indeed perhaps none save this one, the 33 cables and exchanges between Mullah Omar and the DoD & the US Gov, or, more precisely, Mohammad Mullah Omar *against* the DoD *cum* the US Gov, not many such documents exist indeed. You need to be born in Islam and in Kandahar to leave a trail in your life that is reflected in the document we reveal here.

One interested in the caliber of Islam, format of leadership and character texture of Mullah Mohammad Omar should also revisit the history of the Bamiyan Statues and the stance of Mullah

Omar and the Taliban of the ***then*** and there period, with a caveat on *''then''* valid again. One should carefully study the crux of Mullah Omar's reasoning re. the Bamiyan Idols in order to see how Mullah Omar weighed the argument prior to his final decision and what factor eventually outweighed it in favour of his ultimate order: ''Destroy them!''
One should also listen to the recordings of Mullah Omar's voice and study his elocution manner, as they both offer distinct insight into who that great Islamic leader, *'Amīr al-Mu'minīn*, and Mujahed was.

Lies and Deception of the Taliban with regards to the Death of Mullah Omar [R.A.]
https://ia801207.us.archive.org/12/items/tlies/tlies.pdf

What most likely did happen to the Taliban deputized by the International Crusaders Alliance after their conversion to the Doha-Taliban2.0 International Creed had been explained in the famous speech of Shaykh Usamah bin Laden (R.A.) to the Somalis, of 2009, entitled *''Fight on, Champions of Somalia''* where Shaykh Usamah explains the situation in Somalia by comparing it to the situation in Afghanistan:
''…exhausted by our Blessed Jihad, the Alliance NATO Forces resorted to subterfuge and deception as is their custom in the Islamic world, and appointed over you a man who, although from your kinsfolk, follows secretly their religion. This was the ''Kharzai trick'' they played on you.
But when you Afghan Mujahedeen saw through it, they came up with yet another deception maneuver. They replaced ''Kharzai ploy'' and brought in a new revised version of the Mujahedeen, selecting those - like Sayyaf, Rabbani and Ahmad Shah Massoud - who were once leaders of the Afghan

Mujahedeen, but who – through a mixture of inducement and offers - then turned back on their heels and – by agreeing to partner the infidel positive law with Islamic Shari'ah and to set up a government of national unity, whereas this partnering Islamic Shari'ah with the infidel positive law is *Shirk Al-Akbar*, the Greater Shirk, which Greater Shirk expels one from Islam - they apostated from the Blessed Jihad of the Afghan Mujahedeen and started helping their ally, America, to bring down the Islamic Emirate in Afghanistan…''
Usamah Bin Laden continues:
''My Muslim brothers in Somalia, you must beware of the initiatives which wear the dress of Islam and the Islamic religious institutions even as they contradict the rules of Islamic Shari'ah, like the initiative attributed to some of the 'Ulama of Somalia, which gives Shaykh Shareef six months to implement Islamic Shari'ah. They are asking for something Shaykh Shareef was installed to demolish, and it was the condition of the tacit agreement of his power grab, so how can he possibly erect it? These people either don't understand the facts or take us to be fools. This initiative of theirs is a blatant betrayal of trust...''

We should also mention here that this is exactly what happened when America re-conquered recently Syria from the Russians and simply replaced one hyena with another hyena, Asad with Shara'a. The same deception scheme had been played out by the Collective West, with surprisingly next to none resistance from Russia, which strongly points to one: secret mutual cooperation, collusion and mutually shared full compliance between them re. apparent and ostensive power takeover and regime rebranding in Syria.

The staggering name of the US-NATO war in Afghanistan was: ***Operation Enduring Freedom!***
The **American-NATO *Enduring Freedom* Operation [not to be confused with ''*Operation Inherent Resolve!*''] -** a preposterous descriptor given to war with its atrocities and Muslims-Only prisons and righteous Mujahedeen and Muhajirun giant concentration camps with beastly, i.e., sophisticated, i.e., enhanced, as in: ''Enhanced Interrogation Techniques'', i.e. a copycat of the resistance prisoners torture ''approach'' directly inspired by the former Nazi system of the Gestapo/ SS/NSDAP ''*Verschärfte Vernehmung*'', what stands for: ''Intensified Interrogation'' programme of atrocities and sophisticated savage practices which led some of the tortured with ''Enhanced Interrogation'' methods to insanity from which they have never been able to recover since **-** in Afghanistan lasted for twenty years.
One wonders, as one must wonder, how sinister classic US-NATO Coalition Alliance biographies & characters, which we might generically name ''Brand: Gina Haspel'', are being manufactured and how sinister biographies of the same ''Team: Gina Haspel'' generic – as, say, Liz Cheney to mention just one - brand or ''Trademark/TM:Gina Haspel'' - a.k.a. ''Enhanced Interrogation Techniques'' - a copycat of the former Nazi system of the Gestapo/ SS/NSDAP ''*Verschärfte Vernehmung*'', are possible.

And if one views, as one if compos mentis must, the US-NATO ‘’***Enduring Freedom Operation***’’ military project as a surface-cover of an in-depth war of *semantic aggression cum semiosis juggernaut*, ***Enduring*** *Weltanschauung& Begriffsgeschichte&Gestalt Bedeutung* ***Operation***, as one - looking beyond the visible horizon, as one always ***should*** - ***must***, then***…***

Then for 20 years they fought and persecuted the jihad, i.e., just struggle, of the Afghan people, led by the Taliban intransigent - ***muqawima***, ***muqawamat,*** مقاومة , مقاومات , قَاوَمَ **-** resistance**,** their unbending insurgency ripping apart the imposition of the *Tawagheet* of *Injeel* on the *Tawheed* texture of Islam and the purity of its *wahy* &*haqq,* Giant Idols of *Injeel & Zionism* that arrived in the *Khorāsān* along with the American-NATO ***Enduring Freedom Operation*** Crusader armies.

So here the Taliban properly recognize and adequately comprehend the hidden essence and the ultimate goal of the US-NATO ***Enduring*** *Weltanschauung&Begriffsgeschichte&Gestalt Bedeutung* ***Operation,*** essence and goal that go beyond the arms and troops, and targets its symbolic location, where the *Gestalt Bedeutung& Dasein* is hatched, *Weltanschauung&Dasein* generated and *Dasein Begriffsgeschichte* planted, and thus the inflitration*cum*hijacking*cum*colonizing of the future identity, that is: the new generations, will be taking place:

The Prophet (ﷺ) said, "You will follow the ways of those nations who were before you, span by span and cubit by cubit (i.e., inch by inch) so much so that even if they entered a hole of a mastigure, you would follow them." As per the hadith of the Prophet (PBUH) who said on the sayings of Hassan Ibn Thabit:
"His sayings against the enemy are harder on them than the impact of arrows on their chest.''

This clear command and injunction which we used as our motto above comes from a message in Arabic, but we cannot name its author and we quote it in translation through a few languages.
It was sent out to the Muslim Ummah as Eid 1446 Hijri Message addressing the unprecedented EGG, i.e., Endlösung Genocide of Gazzah or: Endlösung der Palästina-Frage
As we are part of the Muslim Ummah, this is *our* contribution to ***لِّسَان جِهَادُ*** , *Jihad bil Lisan*

How they - who now perpetrate the Endlösung der Palästina-Frage, the Ar-Rum & Zion Alliance - think:
Said Winston Churchill in 1937 to the Arab Revolt Palestine Commission: ''I do not admit the dog in the manger has the final right to the manger, even though he may have lain there for a very long time.''
The quote is generic, i.e. all-inclusive, ironclad, across-the-board and collective, thus: apodictic and axiomatic. This is exactly how they, who now perpetrate the Endlösung der Palästina-Frage, the Ar-Rum & Zion Alliance, think.

IELTS became one of the most subtle, prolific and advanced tools of both cybernetics – we list axioms related to it below - and Mind Control [notions of Mind Control and cybernetics in the manner the paper linked just a notch above sketches]
IELTS as: Linguistic/Conceptual Nudging transitioning desired social change that cannot be language in native language and native heritage identity
IELTS as: Linguistic Transition Towards Creating Subversive Counterculture [IELTS as ''Eros-propaganda'' strategy as devised by Frankfurt School & MK-ULTRA, IELTs as **كيف** or: *kief* of the Counterculture]
IELTS as: Identity Annihilation and Replacement-Identity' Conditioning & Coding [*Подготовка Холуи́ Запада*: *Психолингвистическое программирование*]
IELTS as: Conceptual Framework Hijacking & Capture in the Overtone Window of the Farangis [.. *чужие планы исполнять* …] IELTS as: Softly - intangibly and, as it were, creeping by means of osmosis, as in the Harvard doctrine of subjugation through the means of ''Soft Power'' - Creeping Normalization, as framing Opinion Corridor, applying Ratchet Effect etc. forms of control and subjugation CONVEYED and IMPOSED and by the medium of the foreign language where ethnicity would rebel and where ethnic indigenous vocabulary/i.e., ontology and/or semiosis/ reservoir refuses and doesn't allow for; you achieve through the IELTS FARANGIS MEDIUM what you are ***not*** able to achieve within the linguistic bounds of the ethnic semantics;
IELTS as planned and carefully staged Confusion, controlled Cultural Demolition, massive Cultural Deception, Linguistic Treachery, Betrayal and Stabbing taking place in the *Farangis*' comfort zone **كيف** or: *kief*]

IELTS as linguistic application of the Goebbels's key propaganda axiom and Goebbels's key novel propaganda approach of: ''***We*** have ways of making you think ***our way***…'' with Goebbels being the forefather of the so-called Frankfurt School ''Eros-Propaganda''.
IELTS as Engineering Involuntary& Subliminal Acquiescence. You can secularize an entire ethnos/identity originally built upon/rooted in/emerging out of/ a faith-based textual semantics, ethnos/identity transacting in a language heavily referential upon a religious text and immersed in ontology having its central pole - along with its key points of reference – firmly fixed in a religious text and thereby immersed in a universe based on this religious text – axiom: ''language mirrors ontology'' - ***by*** shifting and gradually replacing its linguistic system into a replacement system languaged/verbalized in a purely secular language – the same axiom operating: ''language mirrors ontology'' – and that is one that carries in its innards only a flat semantics and whose reservoir of linguistic means and two-dimensional secular reference structure allows for only a secular ontology and secular semiotics, again the same axiom operating: language mirrors ontology.
You may deceive an ethnos/identity speaking L1 by claiming that languaging a given L1ethnos/L1identity in L2 is only an act of vocabulary/language rules translation from L1 to L2. But in reality it is a transition of semiotics and ontology from S1/O1 into S2/O2, a transition of no return, when you gradually outsource your L1 experience into L2 experience, and the L1-L2 outsourcing is like a shadow followed by outsourcing of L1Semantics and Ontology by L2 S/O, until you eventually become desensitized to S1/O1, indifferent to S1/O1 and averse to S1/O1 as your L2/S/2/O2 become a surveillance filter/monitoring tool for S2/O2.
It eventually equals a loss of S1/O1, i.e., it is a process of pseudomorphism, defined in mineralogy as: substitution that involves the gradual replacement of original material by an unrelated one, a deceptive creation of a new species, where only an outward form is retained but its original substance is lost.

English will kill more Muslims than were killed ever in history.
Through the medium of English
and amongst the IELTS-Generation,
that is amongst the English-speaking Muslims,
i.e., the majority of the Muslims world-wide,
there will be ushered historical criticism,
i.e., the critical historical method
that will destroy Islam.
It is happening now,
in front of our very eyes,
amongst the secular IELTS-Generation.

IELTS as: ''I Speak UN-esque'', where ''UN'' stands for: United Nations [***كيف***, *Keif*, trashy yet powerful as all trash always is Frankfurt School Eros-propaganda manouver];

Lemmata theorem: Ethnicity/Identity is a rebel.
Ethnicity/Identity stands for resistance and has a power to say ''No!''

Thus: Ethnicity/Identity must be Demolished through Imposition of the Controlled Conceptual Field of the *Farangis*.

Conquest & Occupation of *Sinn und Bedeutung*

Tahāfut* , *تهافت

IELTS as: *Tahāfut*, i.e., at times properly worded/at times decently languaged/ yet totally vacuous incoherence

As it is education, where wars are lost and wars are won.
You cannot militarily defeat *Weltanschauung&Begriffsgeschichte&Gestalt Bedeutung*. How do you do it then? You do it through education. Your main weapon is: universities, curricula and so called ''scholars''.
So here it goes. Within one generation, this is what happens when the NATO-US Global Coalition Alliance subjugates one's educational system. Despite perhaps an even decent IELTS score, you will be left – content- wise - with complete crackers, *Sinn und Bedeutung* incoherence and *Gestalt* mental incontinence. Your logos has been turned into incontinent physiology. Your IELTS is top-notch though.
We are in the land of *Land of Ḥaramayn Shareefain*, the cradle of Islam.
Mind you, the sample of the utter crackers - словесный понос & недержание речи - that you will now hear, originates from the Land of the Prophet and the Two Holy Mosques of Islam.
The speaker is, in his own words and as per his own evaluation of his importance and the throne proximity, close to the ruler. Which also matters a lot, as it ostensibly elevates the very speaker, but in reality - and by the same token - sinks the very throne and the Idol Seated One thereat, as it reveals not only how far and how high the crackers have reached but also where the source is from which they, the royal crackers, originate, and that is as the man just about to speak shares them on behalf of the Seated One who owns him, and besides, disposable and malleable characters like the one you will now hear, fully owned, never have their own words or views, save just the owned ones. They are mere egregious actors, scripted from behind-above, with no own p.o.v ever, unable of owning a text. They always agree with the Sultan, especially the current one that grabbed the throne, faithful pets of the court and its treasurer.
So take a careful and discerning listen to what you will now hear:

Here the *Weltanschauung&Begriffsgeschichte&Gestalt Bedeutung* defeat has been fully accomplished. It is only ruins and demolition that is left. The destruction had been accomplished and the occupation of Islamic *Sinn und Bedeutung* established. Yet how did it happen? Was there a war? A grand-scale military operation that swept across the *Land of Ḥaramayn Shareefain* and due to its WMD impact left this *Bedeutung* debris and semantic *Sinn* havoc? What had been dropped there that ushered this abomination? What had been dropped, what WMD, that caused the destruction of the Muslim Mind*cum*Islamic*Gestalt*?

"And it is not for any soul to believe, except by the leave of God, ***and He lays abomination on those who have no understanding.***"(Quran 10:100)
"Whoever Allah wishes to guide, He expands his chest to Islam, and whoever He wishes to leave astray, He makes his chest narrow and constricted as if he were climbing up to the sky. So Allah lays abomination on those who do not believe."(Quran 6:125)

So let us summarize this short excursus:
Q: Then what is IELTS&CEFR?
A: In a nutshell: it is tacit & clandestine ethnic cleansing & *Kulturkampf* achieved through *Weltanschauung&Begriffsgeschichte&Gestalt Bedeutung* conquest and defeat.
Kulturkampf Sieg Heil!
As Adolf Hitler famously observed in the annual Nazi party rally in 1935: “He alone who owns the youth gains the future.’’ This well-known Nazi quote of Adolf Hitler has been selected in the context at stake here with precision and utmost relevancy.

And returning again for yet quite a while to Afghanistan. Perhaps the reader might also read carefully the interview below. Then how many wars did America wage in Afghanistan? So how many wars with America did Afghanistan *mujahedeen* need to fight? One? Or two? The other one, the earlier one, a proxy war waged by the US in order to destroy the Soviet Russia, a proxy war waged *in* Afghanistan and fought *by* the Afghans, then unaware of the American-Brzezinsky scheme, a people hammered and pressed into the shape of the US’s weapon and next used by the US in the war against Russia’s power?
Too big a conclusion? Or *not at all* too big. It is no what *we* say. It is what *Brzezinsky* – if he is *compos mentis* -claims. Read the Brzezinsky interview and judge by yourself:

One could, perhaps even should, speculate on the nexus between the withdrawal of the US Army from Afghanistan in August 2021, and a sudden intensified deployment of US military combat potential and suddenly freed from the quagmire of Afghanistan US’s combat capability to the Ukraine a month later, in September 2021, which intensified deployment has been revealed along with the time-line recently by the evil Zionist sycophant A. Blinken [of what ethnicity that man is?].
There is no talk that acknowledges the two events, their obvious sequential relation and the possible causal nexus between them. Why literally nobody ever - let us reiterate in bold print: ever!- mentions

what is so clearly visible and in the plain view for everyone to see? Void & unfounded speculation? Or was there, is there, a nexus? Pure coincidence? Or perhaps only apparent coincidence? Un-correlated coincidence? Random and unconnected co-existence? Really, a mere correlation of disconnected events? Or a pedigree solid and planned causal – cause&effect - connection? Correlation is not causation? Correlation does not imply causation, yes? Really? Perhaps contrariwise, careful and planned correlation *is* causation?
As it does look like a strong logic of events, founded on the never-ending war-mongering and perpetual & self-perpetuating war-as-prolific-business-enterprise fundamental *axiom* of the US military imperialism: ‘’War Is a Racket’’? As who would be ever able to silence the lobby behind the US military and the money that ticks non-stop behind it? Their joint racket must go on.
Они делают своё дело. Они играя не в карты выиграли свое состояние. Они не за счёт карт существуют. Они делают своё дело. Постоянно делают своё дело.
Revisit the text anew and derive your definitions afresh from: ‘’Imperialism, the Highest Stage of Capitalism.’’ by V.I. Lenin
And incidentally, and again adjacent on the subject of Afghanistan, the speculation hinted at above but this time bonded with *supra*natural justice, is Russia now paying a delayed in time and distant in space price for their war waged in Afghanistan?

So then let us repeat this question: ‘’ Is there a nexus between the helter-skelter withdrawal of the US Army from Afghanistan in August 2021, and right after escaping Afghanistan a sudden intensified deployment of US military combat potential and suddenly freed from the quagmire of Afghanistan US’s combat capability to the Ukraine a month later, in September 2021? Did they ever return home? Or never? As US military bases right next to and right behind the Ukraine border are more or less half way through, well indeed way less than this, between Afghanistan and America. So did they ever return home? As where was the US military capability, defeated*cum*kicked-like-useless-rubbish out of Afghanistan, where was it deployed right after August 2021? To Ukraine? Or where indeed? The connection and coordination the vile Zionist sycophantic agent Blinken and a blithering supporter of the so-called ‘’State of Israel’’ – of Kiev and Pereyeslavl Jewry paternal and Hungarian Jewry maternal ancestry, with one of his paternal ancestors as follows: ‘’ Meir Blinken published the book ‘’Weiber’’, which is one of the earliest Yiddish books to explicitly engage with women's sexuality, and perhaps the first book by a Yiddish writer in America to engage with sexuality at all’’ and yet another one, Meir Blinken’s son Maurice Blinken, born in Kiev, as follows: ‘’ Maurice Blinken was an early backer of Israel and founded the American Palestine Institute which helped persuade the United States to back the creation of Israel’’ - ancestry - doesn’t mention in his statement, did it indeed exist?’’ All of them, accomplices in that grand conspiracy of silence, pass over it indeed *in silence*.

‘’ Ukraine was the world’s largest importer of major weapons over the past five years, accounting for 8.8 per cent of global imports, with its arms imports increasing nearly 100 times compared to the period from 2015 to 2019, SIPRI revealed.’’

Ibn Baaz's [who also agreed to author the famous so called ‘’satanic fatwa’’ which changed the course of modern history for the Collective West on the one side and for the Muslims on the other, overthrowing the Ar-Rum dominance over the Muslim agency and Ar-Rum ultimate discourse power over of the Muslims and their subjectivity;] fatwa in support of the war against the Soviets

So let us juxtapose against the staggering ***Enduring Freedom!*** war descriptor Anas Haqqani's commentary of momentous significance: ***''And what bomb have they not dropped here?!''***

Afghan Taliban Leader Sheikh al-Qur'an wa al-Hadith Mullah Hibatullah Akhundzada in his December 2024 speech sends this clearly worded unwavering message to the Global West*cum*Coalition Alliance: *'I Will Not Compromise Shari'a With You, Even If You Use The Mother Of All Bombs Or Nuclear Weapons.'*
So how about this bomb, the Royal Bomb of All Bombs bombing the purest Sunnah Islam in Khorasan:
https://casebook.icrc.org/case-study/afghanistanus-mother-all-bombs

Or, perhaps how about assaulting and rending to shreds the Safed Koh mountains with your bombs in Afghanistan, America? How about assaulting and tearing apart the Tora Bora stony caves with your bombs, America? Near the Khyber Pass, America? Did you, America?! Near the Afghanistan-Pakistan border, America?! With memories of Waziristan? Did you - ''American soldier is a paper tiger, he flees from the battlefield at the sight of the enemy …'' - as someone very seasoned in Muslim irregular combat who fought the Russians in Afghanistan and then watched you in Somalia observed - really believe you know how to fight and you were able to fight *them*?! You wanted your own replica of General Elphinstone's *jezail& Karamultuks* nightmare and disaster in the Khyber Pass, America*cum*NATO? You were asking for it? With your sophisticated MAD-like doctrines, you still could do nothing at all when confronted with the Muslim *Dust of Al-Adiyati,* Muslim striking sparks ''Steeds of war'', Muslim *dukhan*-like mercurial asymmetric warfare (A Palestinian Shehadeh Jawhar, nom de guerre: Abu Omar, a military trainer of Al-Qaeda in Iraq: ''By definition, guerilla warfare is the war of the weak against the strong.'').
Thus: *Sbhnllh* for this statement and *Inshllh* Mullah Akhundzada means it and delivers on it and we pray that not an iota will be surrendered from Sheikh al-Qur'an wa al-Hadith Mullah Akhundzada's statement.

From a lecture of a certain Yemeni Shaykh [May Allah Accept his Martyrdom]
'' …if the British Empire, the greatest Empire of its time, dominated the sea, the US military in contrast dominates at every level: land, sea, air and space. The US spends more than the next 14 countries combined, accounting for almost 50% of global defense spending. And the US also spends more on defense research and development than the rest of the world put together so the US, the strongest force of our time, which is spending millions into this effort and whose Army is spanning across the globe, nevertheless it still cannot defeat the true Muslims and it still cannot win true Islam over in this war of ideas…''
https://en.wikipedia.org/wiki/List_of_countries_with_highest_military_expenditures

A prominent Sudanese Shaykh and Mujahed, whose name we will not mention here, said this:
'' In Afghanistan, they have been fighting for more than forty years against the most powerful infidel states. In that war, millions of people have been killed. Women have become widows and children have become orphans. Their homes and villages have been destroyed. Their farmlands have been destroyed. But despite all the suffering, pain and agony, they did not give even an inch to the American *kufr* power. They were patient for 20 years on the battlefield. During this time, America, the chief of thugs and the Pharaoh of the era, has tested all kinds of power, exhausted everything that was in his arsenal except the atomic bomb. They have also spent a lot of dollars. They have arranged many things to inspire and lure. They have tested everything that was within their power, but Alhamdulillah, everything has failed. Finally, Allah helped them. Allah honored them by giving them victory. Allah gave them the glory and honor of burying America, the giant hubbub and chaos of the era, in the graveyard of imperialism.
A group of words that make the body tremble when they hear them and the heart trembles when they reach the heart, such were some words uttered by Ameerul Momineen Mullah Omar (may Allah have mercy on him). When people told him about the threat of US President Bush that ''America is coming

to destroy the Taliban'', in response to that threat Mullah Omar (may Allah have mercy on him) said with self-restraint:
"Allah has promised us victory and America has promised us defeat. We will soon see whose promise is true!"''

'' During this time, this Pharaoh of the era has tested all kinds of power, he has exhausted everything that was in his arsenal except the atomic bomb. He has also spent a lot of dollars. He has also arranged many things to inspire. He has tested everything that was within his power, but Alhamdulillah, everything has failed.''

There is an old algorithm of conquest and subjugation:
Восточная пословица говорит: '' Хочешь победить врага воспитай его детей.''
Западная пословица говорит: ''Хочешь победить врага выучи их своего языка.''

To continue the subject of education, and subjugation *cum* conquest through hold *cum* sway over the national curricula and educational standards, we suggest yet one more turn. Here it is:
A Polish so called: ''Khazar Jew'' – we are unable to comment on the meaning of the inverted commas here - from the Ryki shtetele Chaim Gdala Rykower a.k.a. Hyman G. Rickover, a.k.a. ''Father of the US Nuclear Navy'', a part of the Jewish-Slavonic wing of the ''Brand: Brzezinsky Project'' developed a decades-long and outspoken interest in the educational standards of the US as being ***a national security issue***, particularly as compared during the Cold War era to the educational system of the Soviet Russia.

On the subject of Mid-East education we wouldn't even dare to talk openly despite our 17 years of direct first-hand access to tertiary education' institutions – quite a perspective indeed and one you cannot acquire in any other manner but by going through it, i.e. spending 17 years teaching in academic Middle East institutions - in the Middle East, the subject is so heavily encumbered, difficult and critically dangerous.

We need to focus on Afghanistan, though we - in relation to our main text - should have on Iraq.
Why so? Why do we write about Afghanistan, and ***not*** Iraq?
Why not on Iraq?
We do it, as Afghanistan is now, *Inshaallah,* freed of the *Gestalt* occupation.
Writing about Iraq is ***not*** possible.

Why ***not***?
First, this famous quote, though we can*not* mention the author's name, so dear to many:
'' So did your military personnel find weapons of mass destruction in Iraq? No! Rather, they found a large area there that was convenient for building a US embassy. They built the largest embassy in the world there, in Baghdad.
And day and night the embassy officials and employees work for the interests of the American oil and gas companies and facilitate the extortion of massive sums of money that belong to the Iraqi people from the Iraqi people.''
Second, returning to the original question" Why ***not*** on Iraq?
This is ***why not***.
Take a look at what you see. So who again owns Iraq?
As this is Baghdad, once upon a time the capital of an Islamic Caliphate. And quite recently again almost half of the territory of Iraq was regained by Islam and under control of the Islamic State (thus again fell under the Sharia), the latest Muslim Caliphate - ISIL, *Dawlah Islamiyah Al Iraq*, own statement from that time: ''We are fighting a combined force of one million strong!''; Rumsfeld 2005' – as more than 40 000 thousand fighters from over 120 countries world over joined the Iraqi and Syrian Muslim Jihadis - terrified: '' Iraq would serve as the base of a new Islamic caliphate to extend throughout the Middle East, and which would threaten the legitimate governments in Europe, Africa and Asia. This is their plan, they have said so. We make a terrible mistake if we fail to listen.''
Grotesquely debonair and idiotic as always Tony Blair, a Crusader and an inanely ardent convert to Catholicism around that time and meanwhile a private pet-parishioner of Pope John Paul II, so the grotesquely debonair Blair, idotic as always and equally terrified, referred to the need to confront an evil ideology that included ''the establishment of effectively Taliban states and Shariah law in the Arab world en route to one caliphate of all Muslim nations'' - established there a few years ago, *Inshaalah*.
The criminal Blair, never punished for his war crimes, is active now here [Trump's Gaza Genocide plan]:

Criminal Blair's conniving sponsor re. Gaza Genocide and ethnic cleansing is Israel-funded BCG: along with criminal Blair active these days here:
https://www.middleeastmonitor.com/20250706-palestinians-condemn-plan-modelled-by-us-firm-to-forcibly-displace-gazans/
Criminal Blair was officially knighted in 2022 by the British monarchy.
One of criminal Blair PR whitewashing projects for the Middle East genocidal past&present activities is named ''Lauren Booth'', who also interviewed CMC Dean and founder so called Abdal Hakim Murad, highly likely yet another similar PR ''Muslim-wellness'' PR large project.

And ***now***?
What about ***now***? And now there is a grand new academic institution stamped onto the Muslim people and their Muslim land, a grand academic institution with an American banner, a Masonic – equals: Man-Made-Law - Tricolor where the Green Standard of Islam should be, so a grand Tricolor identity occupation academic institution which manufactures the future while by the same token manufacturing consent to the occupation of the State of Iraq and hatching malleable cadres that will comply with the occupation, a grand new institution established in the center of the city of Baghdad.
Here it is:
https://en.wikipedia.org/wiki/American_University_of_Iraq_-_Baghdad
At the beginning of our time in the Middle East we asked a Palestinian professor, a linguist from Nablus University and our trusted colleague, the following: ''Why do you ever care to study Noam Chomsky's language theory? Why do you agree to teach it to the Muslim students and draw Chomsky's generative grammar sentence diagram trees on the board? Why bother with it and why bother them with it?? Why do you make them study it?'' The Palestinian professor replied: ''You are

just starting here. If you want to continue in the Middle East, *never* ask this question again. Of anyone *never* again. Or *any* questions like the one that you have just asked. This is *the most* dangerous question to be ever asked in the Middle East. Critically dangerous. Take it for an answer. Period.'' Years later a stateless Bidoon student of Iraqi origin driving me around Kuwait asked the following: ''Teacher, why do I have to read books by Virginia Wolf? Why must I?? When all this carnage of Iraqis is going on perpetrated by America and the Britishers, why should I ever enter her sick and deviated world? She should be banned, strictly prohibited here, but instead her books are being imposed on us Muslim students? Why? When all this American carnage in Iraq is going on just behind the border, why this injustice??Teacher, explain it to me!''

Third: So again. Do you understand what you see?
https://en.wikipedia.org/wiki/American_University_of_Iraq_-_Baghdad
Fourth: Probably not.
Fifth: Therefore we would like to help you comprehend.
So here is a leading line that we drop to help you with this task:
FYI: *АЇОК Дніпро Кампус, or: American University Kiev, AUK Dnipro Campus*
Or: ''Education that gives freedom'' [the message comes from the AUK logo];
we might venture to enhance it even further into: ''Education that Gives Enduring Freedom'', with ''Enduring Freedom'' being the major US-NATO agency specialty]
https://auk.edu.ua/en/dnipro-campus/
https://auk.edu.ua/en/
So then to help you comprehend what you see, we will offer a proportionate in attack force and range lead-in tip. We admit, to enhance the clarity of your comprehension: a tip with quite a punch line, but as we said it is proportionate in range and adequate in force.

Here it goes: ***Can you imagine American University of Russia-Moscow, located in the Red Square near Kremlin?***

Key Findings

At least 408,000 civilians in Afghanistan, Pakistan, Iraq, Syria, and Yemen died as a direct result of the post-9/11 wars. Civilian deaths have also resulted from U.S. post-9/11 military operations in Somalia and other countries.

An estimated additional 3.6-3.8 million people have died indirectly in these war zones, bringing the total death toll of the post-9/11 wars to at least 4.5-4.7 million and counting.
